

Join the Yuba City Police Department

POLICE OFFICER LATERAL **\$5,414 - \$6,909 MONTHLY** + *Hiring Incentive!*

- » Bilingual Pay
- » Longevity Pay
- » Education Incentive Pay
- » Holiday Pay
- » Special Assignment Pay
- » Tuition Reimbursement

A \$15,000 *Hiring Incentive*, available to Lateral Officers who successfully complete the hiring process with the City of Yuba City, is paid in three (3) \$5,000 payments as follows: First payment upon hiring of the candidate, second payment upon completion of the training program, and third and final payment upon completion of 18 months of full-time employment with the City.

THE POSITION

The City of Yuba City is currently recruiting for Lateral Police Officers. Police Officers conduct preliminary crime scene investigations, prepare reports and work with citizens and youth in a variety of crime prevention and safety programs. The ideal candidate will have a sense of service, dedication, commitment to excellence and a mature approach to such a critical career field. The Yuba City Police Department is progressive, community oriented and a nationally recognized department. Ethics, leadership and a strong commitment to integrity are a must in this position.

MINIMUM QUALIFICATIONS

- » Education: Equivalent to the completion of one year of recognized college coursework, preferably in Administration of Justice, Criminal Justice, or closely related field.
- » Experience: One year of recent, full-time police officer experience in a recognized local law enforcement agency or one year of Level I reserve experience in the Yuba City Police Department. (Recent is defined as all or part of the experience has been within the last three years).
- » Licenses and/or Certifications Required: Possession of or the ability to obtain an appropriate, valid State of California driver's license and possession of a valid State of California P.O.S.T. Academy completion/Basic Certificate or equivalent which has been accepted by the State of California.

Police Officer Lateral application period is open until position is filled.
