You do not want to miss this career-changing event that will consist of a lineup of some of today's most highly regarded and sought-after law enforcement instructors from around the country, as well as several incredibly impactful keynote speakers. Some of our speakers include Medal of Honor Recipient for saving the lives of his squad mates by jumping in front of a hand grenade, and Best-Selling Author, Kyle Carpenter. Also speaking, the Navy Seal responsible for killing Osama bin Laden, and Best-Selling Author, Rob O'Neill. Fox News Host and avid police supporter, Tomi Lahren, will be returning. Also joining us will be Retired Navy Seal and American Hero, Jason Redman. Additionally, Sheriff David Clarke (Ret.), Sheriff Mark Lamb and Sheriff Wayne Ivey will be speaking.

This conference will equip police officers with a massive amount of life changing knowledge that will allow them to return to their agencies and make a much more significant impact in their position. Our previous attendees reported that they could not believe how much they learned in a 5-day event. This is not just some social gathering, this will be a very powerful skill, knowledge, and professional character-building event. We assure attendees that you will feel amazed at the information you will take away from this conference. Last year's conference brought over 1,000 of the country's top law enforcement professionals together. The 2023 conference is expected to bring in upwards of 2,000 attendees together. We cannot emphasize enough what this experience will be like from us, as a trusted source of high-quality law enforcement training. We personally guarantee you will be blown away.

The following is a list of topics that will be covered: Essential Policing Skills and Mindset, High Level Interdiction & Vehicle Compartments, Interdicting and Recovering Stolen Vehicles, Hotel/Parking Lot Interdiction/Investigations, Secrets to Significant Seizures on Traffic Stops: What You Need to Know, Top 10 Signs of Illegal Activity On the Roadways, Recognizing BS Stories on Criminal Traffic Stops, Practical Applications for Success at Stopping Crime, Creating Sustainable Culture Through Great Leadership, Behavior Analysis / Pre-Attack Indicators, The Gun Game, Social Media and Open Source Investigations, The Narc and Simple Interview and Interrogation Techniques That Actually Work.

On Wednesday, April 26th, we will host a ceremony honoring select police officers who were significantly injured in the line of duty, by presenting them with the Street Cop Survivor Award. This is one of the most profoundly emotional experiences for all of us to say thank you to these amazing human beings. Street Cop brings all of them in at our expense to honor them for their service and sacrifice. All attendees are automatically enrolled and will have a chance to win our raffle of \$500 cash gifts three times per day throughout the event.
